Lois Laberge Scholarship

Lois Lovette Laberge was one of the Townships pioneer lady farmers. Working side by side with husband Robert, they started with the hog business and later switched to Angus beef cattle and Hampshire sheep, along with a few chickens, Arabian horses and an enormous garden.

She was an active member of the agricultural community, serving on the Insurance Stabilization Board, and was a long-standing member of the Canadian Sheep Breeders Association, the Angus Association, the Purebred Sheep Breeders Association of Quebec and the Arabian Horse Association. Lois was also a very active member and past-president of the Eastern Townships Sheep Breeders Association.

This dynamic lady was always trying to learn more by reading, attending conferences or just by talking to people. Few people enjoy such a vast knowledge of our agricultural industry and are so willing to share that information with others. For these reasons, the ETSBA is proud to offer the Lois Laberge Scholarship Fund in memory of such a fine agricultural producer.

One bursary of \$150 is available for a student attending RRHS.

Eligibility:

- Applicants must have applied for first year post-secondary studies in animal science (a diploma or BSc program)
- Applicants must be residents of the Eastern Townships
- Applicants may be enrolled in post-secondary studies anywhere in Canada
- Applicants must fill in the application form with a resume of their background Information (agricultural background (in any), community involvement, etc.) as well as their objectives.

The bursary will be awarded in the fall, once the winner is enrolled in their chosen studies.

Final selection will be done by the ETSBA Lois Laberge Scholarship Fund committee.

Deadline for application: May 1st

Please send applications to:
