October 7, 2020

Good day,

Following up on the [letter dated August 21st](#) from transportation, we must be vigilant with the wearing of masks. The students in general are doing an excellent job at school and I am proud of them. However, the day does not start at the first bell nor does it finish at 3:10. We must be respectful of all with the wearing of masks from the time we get on the bus to the time we get off the bus.

A few weeks ago, I visited every class to reinforce the message and I have been on a number of buses as well.

Unfortunately, for students that have not processed the message nor taken heed of the warning from their drivers, any student not following the mask protocol will receive a 5 day suspension from transportation. It is important to point out that students are not suspended from school and would be expected in classes.

Sincerely,

Mr Robinson
