Welcome to Richmond Regional High School – home of the Knights! RRHS is able to offer a range of academic options within a small school. Many of our students and parents appreciate the sense of belonging in our school – students and teachers are able to get to know each other, fostering a sense of community that is not possible in larger schools. We are also home to a number of athletic teams and clubs. Again, being a smaller school, students have many opportunities to participate on multiple teams and in multiple clubs. Please take a few minutes to look through our "Virtual Open House" and don't hesitate to reach out with any questions you may have.

Clubs

Robotics, Drama, Yearbook, Billiards, Running ... These are just a few of the clubs that RRHS staff organize for our students. Whatever your interests, RRHS has something for you.

Travel

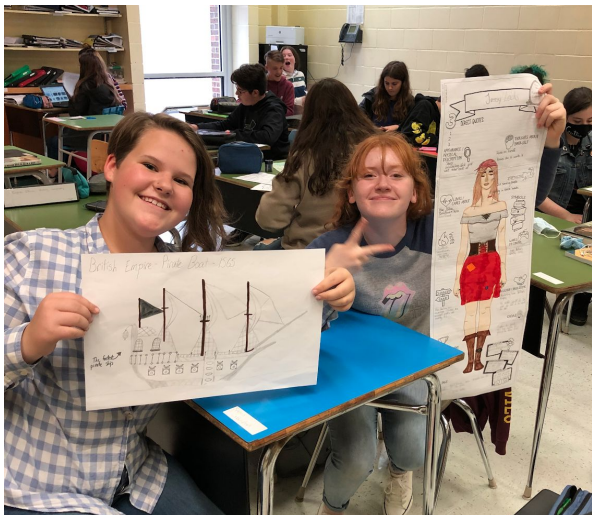

Students start fundraising in Secondary 1 for the opportunity to travel the world with the Travel Club in Secondary 3. Sign up early to be in on the adventure.

Athletics

Rugby, Soccer, Basketball, Badminton, Curling, Cross-Country... offered at every level. RRHS has a proud athletics tradition.

Passions & Targeted Remediation

After lunch everyday there is a 32 minute block set aside for two purposes. The first, our Passions, allow students to pursue a personal interest in a more relaxed setting. The second, targeted remediation, allows teachers to select small groups of students for remediation or enrichment. Students take Passions 3 days out of 9 and TR for the remaining 6 days.
