MICRO-GRANT FUNDING FOR THE VITALITY OF THE ENGLISH-SPEAKING COMMUNITY

ABOUT

OUR VITAL COMMUNITY micro-grants (of up to \$500) aims to encourage citizens and community organizations to realize projects, actions and activities that support the health and wellness of the English-speaking population in the MRCs of Val-Saint-François and/or Des Sources.

OUR VITAL COMMUNITY micro-grants are administered and supported by the Partners for the Vitality of the English-speaking community of the Val-Saint-François and des Sources. Successful recipients will be supported in their projects by the Richmond, Danville and Drummondville area CLC Coordinator(s).

ELIGIBILITY

Micro-grants can be awarded to individuals, citizen groups or organizations. Projects funded must serve the English-speaking communities in Val-Saint-François and/or des Sources. Eligible expenses includes: materials, transportation, contract services. Regular salaries or overhead are not eligible.

Projects must adhere to Public Health guidelines for COVID19
Projects must be completed before March 15th, 2022

SELECTION CRITERIA

Applications will be selected with consideration to:

- What is the population targeted?
 - What is the need it is responding to?
 - Does it increase the accessibility of existing services?
 - What other resources are contributing to the project?
(ie. volunteers, partners)
 - What will be the impact or lasting effects once the project is over?
- - Would changes in Public Health guidelines affect the project?

DEADLINE

Applications will be considered until November 25, 2021
