Richmond Regional High School Soccer Permission Slip

The registration fee for this season is **\$75.00** paid to Richmond Regional High School. The fee includes your participation in our soccer program, a uniform, an individual and team picture as well as transportation to the games. Tax receipts will be given to parents in January or February. If a student does not return their uniform, we have no choice but to charge for a replacement uniform. All players will also have to provide a **\$40 cheque to RRHS** that will be returned to them upon return of their uniform.

Transportation is available for students living in Val-Des-Sources and Drummondville after each practice. However, if you need transportation, please advise me or sign up directly at the Main Office. Please see the following link:

The School Board has a policy that says any student taking part in school extracurricular sports must be covered by accident insurance. If your son or daughter is not covered by a policy already, then it is strongly recommended that you purchase accident insurance. The insurance should cover ambulance costs, broken bones, broken teeth and broken glasses, as the school will not cover these costs. Please contact the school for more information.

Please fill out the permission slip below and return it to the Main office or to me with the \$75.00 registration fee and the \$40.00 deposit, by October 18th, 2022.

Please be aware that when the season starts, it's possible to pay with online banking through Caisse Populaire and Banque Nationale. The payment can be paid directly to the school by cheque, cash, debit or credit.
