Remembrance Day

RRHS will present the annual Remembrance Day play on November 12th at 7:00 P.M. in the auditorium. This year, the story is a mix of Remembering D-Day, given that June of this year marked the 80th anniversary of the mission that changed the world. Simultaneously with the D-Day story, the audience will see snippets of life for the Jews in hiding. The name of our original play is "They Had to Be Brave."

Please join us to remember and to support the work and motivation that our young students have shown.

La Procure

La Procure will be selling Knight's Gear (hoodies, sweatpants, dry fit, round collar, etc.) from October 29th to November 8th between the blue and green cafeteria during lunch hour. Students must come to try the clothes for the right fit and choose the color. All items must be paid for and will be received at the beginning of December. Please note: This is the one chance to purchase Knight's gear for the entire year!!!!!!

From the Guidance Desk...

Secondary I - On December 3rd, our Secondary II students will once again participate in the Défi des Recrues at the Windsor Vocational Training Center. It is a great introduction to the world of the skilled trades! Parents and students will receive more information about this in the coming weeks.

Secondary III - As part of their POP class, on November 6th our Secondary III students will be participating once again in the nationwide 'Take Our Kids to Work Day' and will go to work with a parent, friend or community member.

Secondary III students will also have an opportunity to attend the 24-juin Vocational Training Center Open House on Wednesday, November 27th.

Sec. V - Just a reminder that it's CEGEP Open House season - an email with dates has been sent to students and parents. Be sure to check the CEGEP's website for more information.

Finally, on an individual basis, senior students also have the opportunity to be a 'Student for a Day' in a trade that might interest them, at our local Vocational Training Centers. Students should see Mrs. Robinson for more information if they are interested. (Students usually will need to find their own transportation to the Centers, as this isn't a group field trip).
