Reminder - After School Tutoring Available

This is a reminder that tutoring after school has begun. This service is free, and all students are welcome! Tutoring is currently available in Math, Science, and History. French tutoring will be available in late November. The following sessions are now available:

ELA (cycle 2): Mondays with Ms. Sullivan in G205 from 3:15-4:45 pm

Math & Science (all levels): Wednesdays with Ms. Mastine in G103 from 3:15-4:45 pm

Students can simply show up!

For any questions, please contact Ms. Murphy (murphys@edu.etsb.qc.ca)

Remembrance Day Play

Richmond Regional students will present an annual Remembrance Day play on November 11th, at 7:00 P.M. in the RRHS auditorium. Donations will be accepted at the door for the RRHS Parascolaire budget. This year the play will tackle the difficult story of the genocide in Rwanda. We will briefly tell the story while focusing on how the genocide affected some of our Canadian Armed Forces personnel. The story is based on three true members of the forces who faced the atrocities of the war. Please join us to remember!

From the Guidance Desk...

Secondary II - On October 20th, our Secondary II students participated in the regionally organized Défi des Recrues at the Vocational Training Center in Windsor. It was a great introduction to the world of the skilled trades!

Secondary III - As part of their POP class, on November 5th our Secondary III students will be participating once again in the nationwide 'Take Our Kids to Work Day' and will go to work with a parent, friend or community member.

Secondary III students will also have an opportunity to attend the 24-juin Vocational Training Center Open House on Wednesday, November 26th.

Sec. V - Just a reminder that it's CEGEP Open House season - an email with dates has been sent to students and parents. Be sure to check the CEGEP's website for more information.

Finally, on an individual basis, senior students also have the opportunity to be a 'Student for a Day' in a trade that might interest them, at our local Vocational Training Centers. Students should see Mrs. Robinson for more information if they are interested. (Students usually will need to find their own transportation to the Centers, as this isn't a group field trip).

A Note of Community Support

We know that for many families, the holiday season can bring significant financial and emotional pressures. If you or someone you know is facing challenges, please remember that you do not have to carry the burden alone. Our local community partners are ready to help. Please do not hesitate to reach out to these trusted organizations below to confidentially access a Christmas basket or food support. Registrations to these resources take place in November.

Reaching out is a sign of strength, and they are here to ensure every family can experience a little joy this year.

COMMUNITY NEWS:
